Re: *United States v. Lieunigel Lewis*
Docket No.: 16 CR 478 (CS)

Dear Judge Seibel:

I represented Lieunigel Lewis on his underlying case referenced above. I am writing to respectfully request early termination of his supervised release. Mr. Lewis started supervision in September of 2021 and has been fully compliant while on supervision. He has maintained seasonal employment while working at a bungalow colony in Sullivan County, NY. I have been in contact with his Probation Officer, Florence Duggan, and she has no objections to this request for early termination.

Thank you for your consideration.

Respectfully,

Michael K. Burke
